## **Academic Senate**

**One of six members of the Professoriate**

### **Candidate Statement**

#### ***Associate Professor William Letts***

I am nominating for a Levels D/E position on Academic Senate because I am keen to build upon my experience of Senate membership for two meetings last year before this reconfiguration. Since joining CSU in 1999 as a Lecturer in Science and Technology Education I have held a variety of positions in the former Faculty of Education and the current Faculty of Arts and Education – all of which have afforded me different views on the management of operations of the university and our collective roles within it. Over the intervening 19 years I have demonstrated that I am passionate about my work – focussing on high quality learning and teaching, research that makes a contribution to our lives, and service that enriches our campuses and communities. In these times of constant churn and large-scale, relentless change I am committed to ensuring this happens as efficiently, thoughtfully and humanely as possible.
