To whom it may concern,

Re: Charles Sturt Campus Services LTD (A.B.N 37 063 446 864)

The Riverina Anglican College has been using Charles Sturt Campus Services (CSCS) to complete our daily and term break cleaning since August 2019. Our school employees over 75 staff and has over 700 students in years 7 to 12.

During the tendering process we found Martin and the team very committed to providing an outstanding service, passionate about staying on top of new cleaning methods and products which catered for our requirements, whilst remaining extremely competitive on price.

The service CSCS has provided over the last 5 months has exceeded our expectations with their level of detail in the service they have provided. They are open to receive feedback and make changes as requested by The College and offer suggestions for our benefit.

The College would strongly recommend CSCS requiring cleaning services and would be happy to provide further information if required on 6933 1811.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'Daniel Davidson', written over a faint horizontal line.

Daniel Davidson
