

## **Work Placement Position**

## WheelEasy: Access Information Information Manager

WheelEasy is a charity dedicated to improving access to leisure activities for wheelchair users and their companions by providing information about wheelchair-friendly locations and activities. WheelEasy is Australia's leading accessibility-focused travel platform. Designed to empower people of all abilities.

WheelEasy provides a user-friendly platform where individuals can discover, share, and contribute accessibility information for public spaces, travel destinations, and venues. By fostering inclusivity, the platform aims to make exploring Australia easier for everyone, from wheelchair users to families with prams and beyond.
