Message from the General Manager

Thanks to all those representing employees in Enterprise Agreement negotiations, I acknowledge your dedication to the employees and your professionalism.

It pleases me to see the new uniform and I trust you will all look smart and professional sporting them.

Alesco is the name of the new online payroll system it is planned that we transfer across to the new system in late August. Please be advised CSCS is committed to providing training and assistance to all staff in this transition phase, and will find solutions to ensure no one is disadvantaged by the system moving online. There are a lot of benefits associated with the new system and you will enjoy the ability to view pay slips and leave balances etc. online

Supervisor Portfolio

Who am I: Liz Day
Campus: Bathurst

FRESH LOOK!

Charles Sturt Campus Services have recently adopted a new staff uniform at all campuses after a lot of trialing by staff from different campuses the royal blue shirts have been very popular and have already been noticed by a number of people throughout the university, the shirts have also been very popular among CSCS staff.

Pictured Right: Wagga Staff looking great in their new shirts, from left Alicia McCaig (Team Leader), Tania Jones and Kim Phelps

HELLO. Let me introduce myself – **Natalie Edmonds**, I've just started as the *Workplace Improvement Officer* at CSCS. Graham has handed over the reins and I am settling into the position with your valued assistance. It was great to meet many of the staff when I travelled to Thurgoona, Bathurst and Orange earlier this year.

Several staff have finished Asset Maintenance including more recently Dolly & Kylie from Orange, Melissa Franks from Thurgoona and Debbie Gilchrist at Wagga Wagga.

~ Congratulations ~

I'm sure these ladies would be glad to assist any of you who need some motivation or assistance to finish your own course which has been updated with new Topics and is now called 'Cleaning Operations'. Don't let this confuse you; it's still the same course, just with a few new topics.
CSU Training and myself are working together to write procedures, quiz's, case study's and activities for the new Topics, so feedback, suggestions and ideas about how to do things better and more efficiently is always appreciated.
Judging by the compliments received and pride I've seen cleaners take in their work, I'm positive many of you have a great deal of experience and valuable knowledge that would assist me in my role, so please share the wealth of knowledge with me.

I look forward to meeting ALL of you eventually and seeing you all complete Certificate III in Cleaning Operations, should anyone have any questions or advice, call or email me.

Natalie

CSCS is currently in the process of creating name badges (pictured left) for all employees, this will take some time but they will start to be distributed in the next few weeks and hopefully all badges will be out by the end of August.

Hi Guys –

I think it's pretty obvious that the Gordon Beavan Building is sparkling clean!! Our lovely, pocket-rocket, cleaner Denise Hewitt works tirelessly to get our building ship shape.

DFM have an acknowledge register for positive comments regarding their staff. I think if you agree with the great work Denise has done – pop it in an email to Peter Jones and Richard Overall.

Yes, it's true – everyone **does** make a difference!!!

Have a great arvo

Kate Spendier
Charles Sturt University
Administrative Assistant | Division of Information Technology

I agree! Please pass our gratitude on to Denise! She is a not only leaving everything sparkling behind her... her attitude is so sparkling too!

Thank you Denise!

Marian Wolmarans
Business Analyst | Division of Information Technology

In my brief visits to GB, I too have noticed an excellent standard of cleaning. It was also very pleasing that Denise's attitude was recognised. Excellent work. Please pass on our thanks for doing a great job.

Richard Overall
Client Services Co-ordinator
Division of Facilities Management

Hi Marty,

I would like to recognise Shane and Mim not just for their quick action to collect the poorly disposed of sharp this morning, but more importantly for their recognition that better communication and processes are required and this will lead to university wide improvement. Thanks so much and well done.

Best Regards,

Peter Jones
Campus Services Manager, Albury-Wodonga

Go Denise!
