

# Edge Browser Settings

## For Division of People and Culture Forms

The default Microsoft Edge PDF viewer can sometimes open Division of People and Culture forms with limited functionality or not open them at all as per the below error message.

### Please wait...

If this message is not eventually replaced by the proper contents of the document, your PDF viewer may not be able to display this type of document.

You can upgrade to the latest version of Adobe Reader for Windows®, Mac, or Linux® by visiting [http://www.adobe.com/go/reader\\_download](http://www.adobe.com/go/reader_download).

For more assistance with Adobe Reader visit <http://www.adobe.com/go/acreader>.

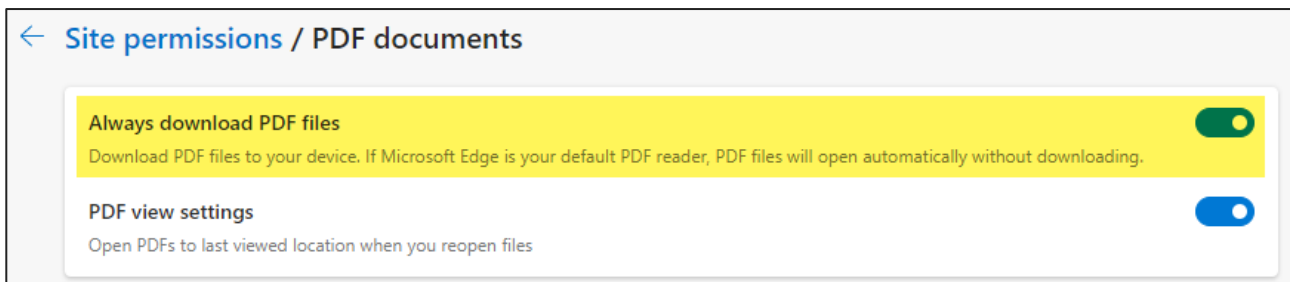

Windows is either a registered trademark or a trademark of Microsoft Corporation in the United States and/or other countries. Mac is a trademark of Apple Inc., registered in the United States and other countries. Linux is the registered trademark of Linus Torvalds in the U.S. and other countries.

Click the **three dots** to open the Edge menu on the right-hand side of the browser and choose **Settings**.

Select **Cookies and site permissions** from the left pane.

Scroll down the page and click **PDF documents**.

Turn on **Always download PDF files**.

You can now click on the link to the form again and it will download the file for you to open in your default PDF viewer (e.g. Adobe Reader).
