

# Radiation Safety Committee Laser User Registration Form

v180913

The use of ionising radiation is governed by the Radiation Control Act (NSW) 1990 and its Regulations. The acquisition and use of any radioactive material or irradiating apparatus must also be approved by the Charles Sturt University Radiation Safety Committee (RSC) before the material or apparatus is brought into the University or used by University staff / students. This includes both ionising and non-ionising radiation (i.e. laser or ultra-violet).

**Please use this form to register as a user of Class 3B and Class 4 laser devices.**

Complete and submit to [RadiationSafety@csu.edu.au](mailto:RadiationSafety@csu.edu.au). All fields with a red border are required.
