

Three Rivers University Department of Rural Health (UDRH) Placement Grant – Course Director Recommendation

This form is to be used where a student's Grade Point Average (GPA) is less than the value of 4.0 and therefore does not meet the eligibility criteria for the Three Rivers UDRH Placement Grant.

Where Special Circumstances have been discussed with and considered by the Course Director and there is a valid reason for the GPA being less than 4.0, the Course Director may provide their recommendation for the Three Rivers UDRH Placement Grant to be awarded to students with a GPA of less than 4.0. This recommendation will be considered only when all other Eligibility Criteria within the Guidelines has been met.

Student Agreement & Acceptance

I note that the Grade Point Average (GPA) outlined in the Eligibility Criteria section of the Three Rivers UDRH Placement Grant Guidelines is 4.0 or above. My GPA is currently below this value due to Special Circumstances and I am seeking a recommendation from the Course Director.

Student Signature:		Date:

Email the completed form to your Course Director for recommendation and sign off, then submit the completed form with your Placement Grant application.

Course Director Confirmation – Office Use Only

I recommend and support the awarding of the Three Rivers UDRH Placement Grant to the abovementioned student and have taken into account factors outside of the student's control that have impacted adversely on the student's GPA.
