*Each person entering his/her office, classroom or university space.
At the very most we want them to recognize our contribution to their environment, and at the very least carry on oblivious to what we really do.*

CSCS News

Fundraisers

Charles Sturt Campus Services recently took part in two Fundraisers. On the 27th of July CSCS raised a total of \$332.10 for Lifeline which was from generous donations and staff purchasing Stress Less Slippers.

On the 24th of August, Daffodil Day, CSCS raised a total of \$1,156.30, which included Wagga raising \$261.45, Thurgoona raising \$220.10, Bathurst raising a huge \$488, and Orange raising \$186.75. A fantastic effort by all and especially the little campus' raising such high values.

Please see below photographs from the fundraisers.

Mid Year Planning Meeting

On the 18th and 19th of July Charles Sturt Campus Services held their Mid Year Planning Meeting, with great success all Team Leaders and Service Coordinators had two days of training and walked away gaining some great knowledge, helpful hints and more awareness of being a better Leader.

CSCS – Supporting a Greener approach to Services.

After successful trials, Charles Sturt Campus Services Limited have moved to using 75 litre environmental friendly bin liners. These new liners have proven to be as strong as our previous black bags but are 100% degradable.

Some Facts about the new bag:

Shelf life is 12 – 18 months (store indoors in pack/carton out of sun)

If used and left in the sun it will degrade quite quickly (approx 6 – 10 weeks depending on the conditions)

If put into landfill the degrade period will depend on what products are in and around the bag (approx 3 – 4 months)

All these benefits *and* at a lower cost than we were paying for our standard liners.

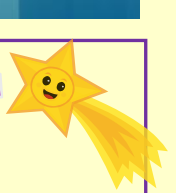

Just for a Laugh

A guy is sitting at home alone when he hears a knock on the front door. When he opens the door, he encounters two police officers, one of whom asks if he is married and, if so, whether the deputy can see a picture of the wife. The guy says "sure" and shows him a picture of his wife. The deputy looks carefully at the picture and then gravely says, "I'm sorry sir, but it looks like your wife's been hit by a truck."

The guy says, "I know, but she has a great personality, is an excellent cook, and lets me play golf whenever I want to!"

Look who is a star!

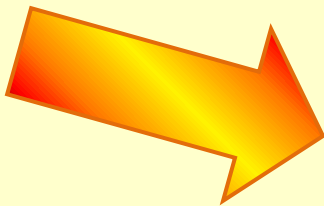

Robyn McGregor

Robyn McGregor from Wagga Wagga Campus received three compliments within the time frame of two weeks for her fantastic cleaning!

Awesome stuff Robyn!

CHECK OUT ALL THESE COMPLIMENTS!

My block and I just wanted to ask you to pass on a message to our cleaner, Helen.

Helen has recently been moved from New Res to South Campus and we just wanted to let her know how much we appreciated her! She was one of the most efficient cleaners we have ever seen. Nothing was too much trouble for her and if we ever had a problem with anything (e.g. we started to get mice) Helen was always right on the case. So we just wanted to say Thank you and we hope she is appreciated, as much as she was here, out at south.

On a similar note, our current cleaners are also fantastic!

Hi Belly,
Thought you might like to pass this on to staff on Wagga campus - Snaps from a Res School Student:

"Kim (the cleaner) & Cathy (accommodation office staff) both went above & beyond their roles, were very friendly & extremely helpful! Also I loved the cottage heating. It was lovely & warm & worked all the time! Also the security were lovely & checked me in & explained where everything was after I arrived at 0230 in the morning."

Cheers,
Jo

Hi Shane,

Please pass on my thanks to the cleaning staff for helping ensure the labs were looking at their best for the Pods accreditation.

Kind regards
Kylie Kent
Facilities Manager (Albury-Wodonga Campus)

Alan,

Please pass on to the cleaner for the Learning Commons Level 1 – Wagga campus – that they are doing a great job – the toilets are clean and fresh and even had flowers in them one day – they should be congratulated on doing a great job!!!

Kind regards
Michelle Burton
Student Central

Hi Marty,

I just wanted to let you know, on behalf of all the Wagga Student Central staff, what a fantastic job your cleaners are doing in the public areas of the Wagga Learning Commons. They go to extra lengths to make sure that the toilets, study and eating areas are impeccably clean. They are friendly and always willing to help in any way. They have made an enormous difference to the areas and we no longer receive any negative feedback from students in regards to the cleaning of these areas. They are doing a great job.
