

CANBERRA SEMINAR SUITE

Located in the heart of the Parliamentary Triangle close to Commonwealth business offices, Charles Sturt University has a large seminar suite available for business meetings, conferences or seminars.

The seminar suite is brand new, private, and fully equipped with the latest technology, audio visual equipment, and presentation whiteboards. There are two additional syndicate rooms for smaller meetings or breakout sessions, as well as a kitchen for catering.

Transport

The added bonus of doing business in the Parliamentary Triangle is that it is located in the heart of Canberra. There is plenty of public transport servicing the area, and nearby parking. We are happy to provide a map of nearby parking.

Catering

The kitchen is equipped with a commercial fridge and there is plenty of space for catering. The site is serviced by many local businesses, or clients are able to bring their own lunches. We are happy to provide a list of nearby caterers if required.

Accommodation

There are many accommodation options within short walking distance of the training centre. Three of the closest accommodation options include:

Hotel Realm
www.hotelrealm.com.au

The Brassey
www.brassey.net.au
