

# Theology Matters

## Book launch and panel discussion

**6pm, Thursday 10 July**

**Australian Centre for Christianity and Culture  
15 Blackall St Barton**

*Theology Matters* presents a series of conversations with prominent Australians about how theological ideas and religious practices inform their contribution to public life. Through their stories, it asks the ultimate question: what difference does theology make?

**Join us for a panel discussion, moderated by  
Genevieve Jacobs, along with:**
