Work Placement Position

FINDEX Intern

Findex is one of Australasia's leading provider of integrated financial advisory and accounting services. Boasting a wide and strategically dispersed presence across Australia and New Zealand, Findex is passionate about ensuring clients are provided access to the very best expertise and robust financial solutions that will ultimately see them through their entire business journey, or reach their own personal goals.

Findex has over 80 offices across Australia and New Zealand, and more than 2,500 staff. With international ties to one of the largest global account firms in the world, Crowe International is ranked amongst the top 10 global accounting networks, and is known for delivering quality accounting and advisory services in more than 130 countries. We are the relationship that you can count on - large enough to offer a range of expertise and skills - and small enough to provide the personal touch.

At Findex we are committed to our employees. We offer development programs, further education, and exciting career progression opportunities, in addition to a thriving social culture that includes monthly activities and events.
