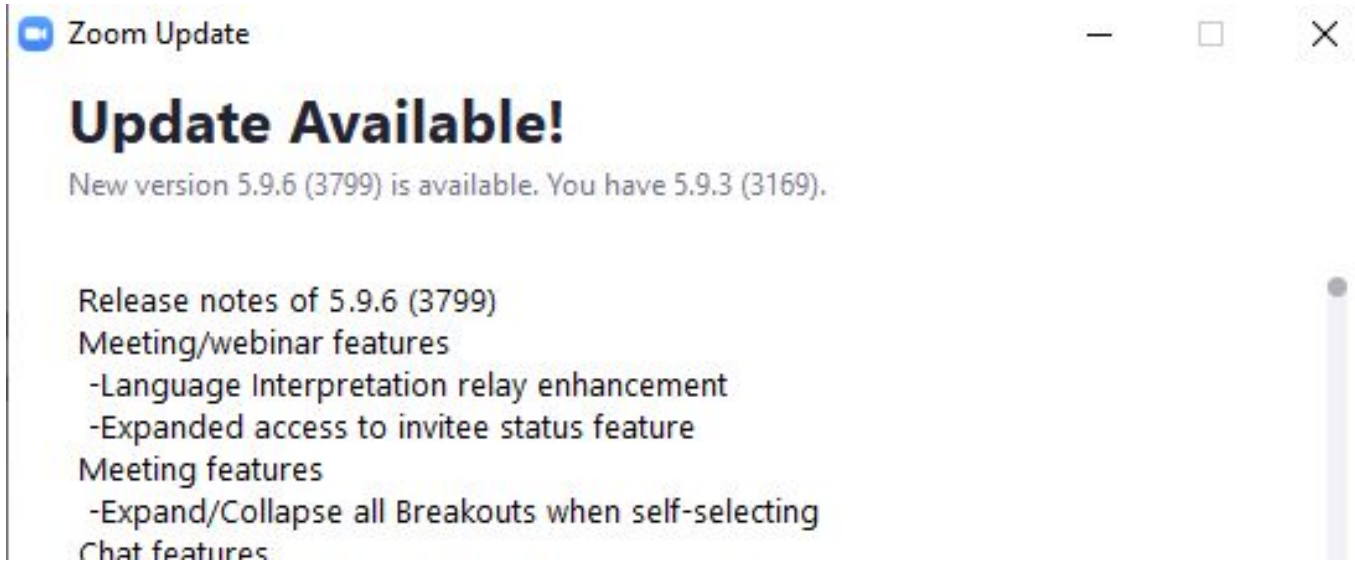
*'CSU Zoom **Portal**' '**Desktop App**' 'Zoom **Meeting**' 'Zoom **LTI**'*

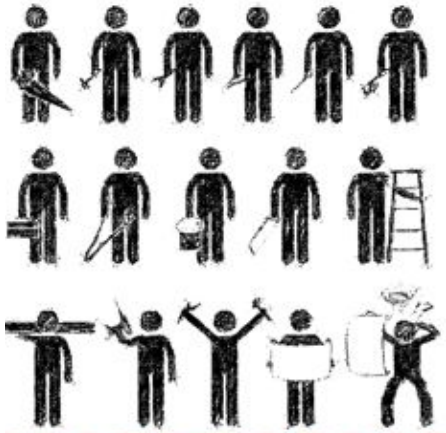
- Reminders - updates and waiting rooms
- More Screen Sharing
- CSU Zoom Portal - more Settings
- Zoom Recordings
- Zoom Blackboard (i2) LTI
- Whiteboards
- Polls
- Breakout Rooms
- Zoom Mobile App

Zoom Cheat Sheets (DOMS) - CSU Portal
Zoom LTI

# Are you up to date?

*Zoom updates can get away from you...*



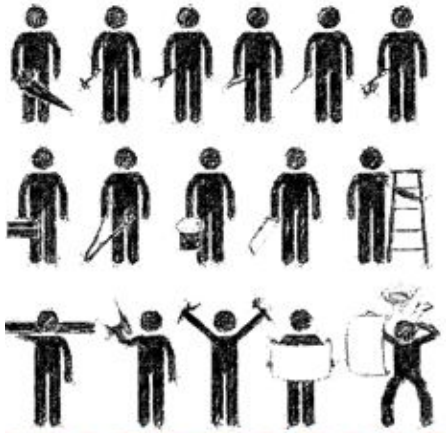


To update:

- Open the zoom desktop app
- Click your profile image (top right)
- Select check for updates

# Refresher: Waiting Rooms

*It's not that we don't trust you, but...*



ON

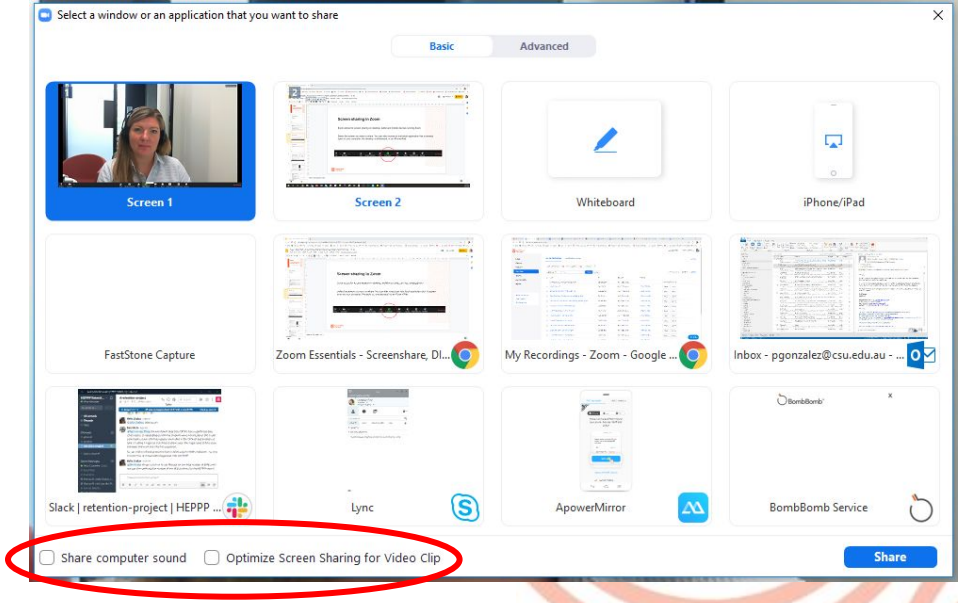
- Waiting Rooms turned all for ALL Zoom meetings (customisable)
- Authenticated users (CSU SSO login) will pass straight through
- 'Guests' will need to be admitted to the room by a host / co-host

OFF

- Passwords for access to rooms
- Registration for a meeting (to then be sent login details)
- Mandatory SSO (single-sign on)

# More Screen Sharing

*If you're only going to practice 1 thing...*



- Sharing media + considerations
- Strategies 1 - full screen vs application windows
- Strategies 2 - .ppt vs .pdf
- Zoom mobile app

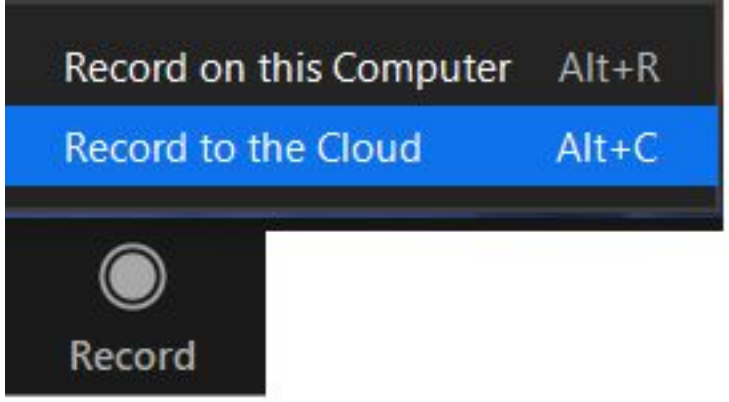
# Revisiting the Zoom 'Portal'

*https://charlessturt.zoom.us*

- Make this your 1st 'troubleshoot' point
- Use cases for the Zoom Portal
- Understanding your default settings
- Key settings to look out for

# Zoom Recordings

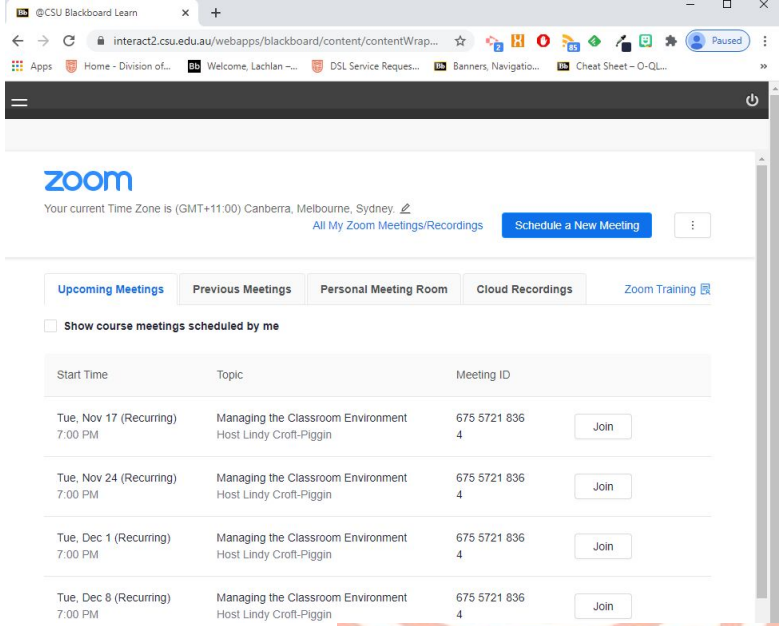
*priorities...priorities*



- Settings relating to your recordings (portal)
- Locating recordings
- Editing ('top & tail only')
- Downloading diff. file types
- Transcripts - subtitles (cc playback)
- Pros and Cons - Cloud vs Local

# Online Meeting (Zoom LTI)

*In all i2 subject sites from 202090+*



- Intended application
- Tool run through
- Understanding your default settings
- Alt host & student access
- Pros & Cons

# Zoom Whiteboards

*'Wow that looks a lot like Jamboard'*

In Meeting:

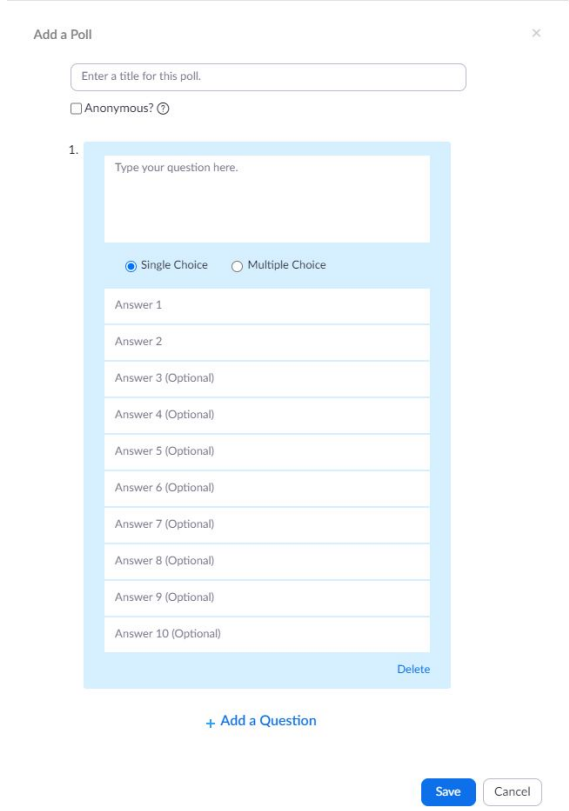
- Create and share
- Previous boards accessible

Outside the Meeting:

- Shareable*
- Can be retrieved from Portal 'Whiteboards'
- Exportable (.pdf, .png)

# Polls

*On a scale of 1-3, how do you feel about polls (sorry - no scales)*

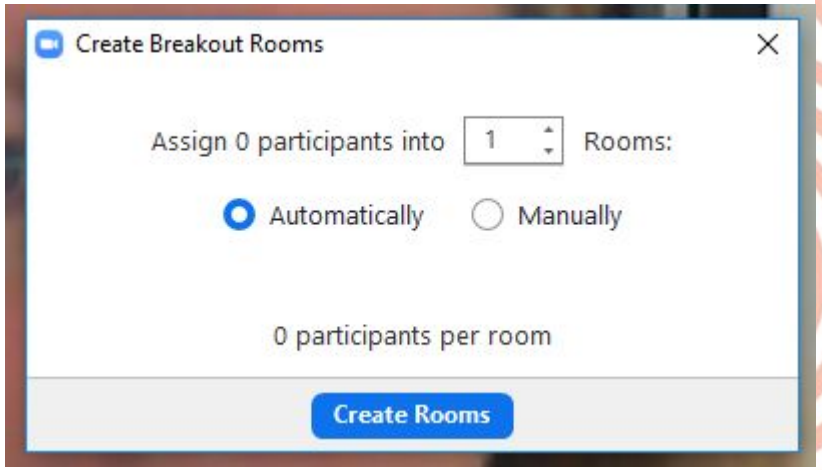


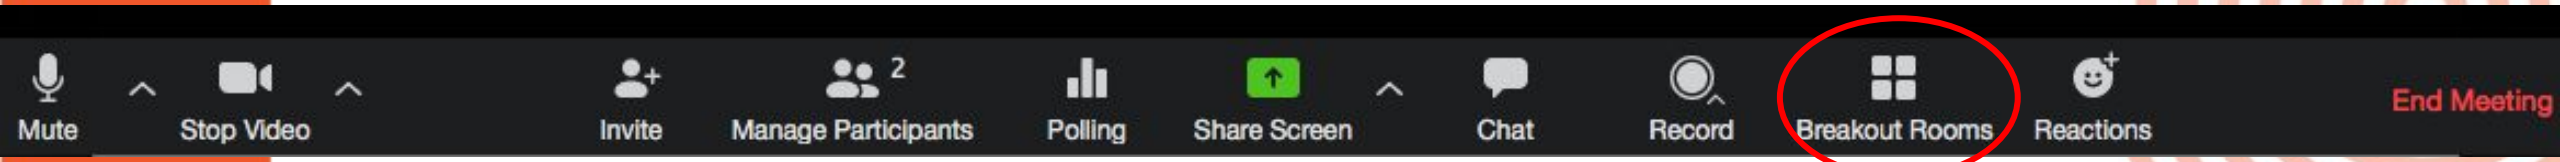
- Single or multiple choice questions → NEW Types
- Downloadable reports (LTI + Portal)
- Anonymous responses possible.
- Editing / Creation only possible by original host / co-host
- Can be 'exported' to other meetings via template

# Zoom Breakout Rooms

*Where'd everybody go?*

- turning them on (in meeting)
- managing participants
- breakout communications
- preloading??





# Zoom Mobile App

*You might not be using it, but there's a good chance they will*

- iOS & Android app stores (free)
- Remember where the camera is pointing (if on)
- Requires Meeting ID to join
- Allows a lot of the computer applications functionality (but not all)
- Additional share source for hosts
- Whiteboard & stylus possibilities (check settings if can't see)

Note. To mobile 'share' to your own meeting, you'll need to be signed in

# More please...

*What else would you like to know (re. Zoom or other PD?)*
