

A reconstructing faith: a journey of a lifetime

Lecture by Keith Mascord

In this lecture, Keith will draw upon *An Honest Faith*, and on his earlier two books (*A Restless Faith: leaving fundamentalism in a quest for God* and *Faith without Fear: risky choices facing contemporary Christians*) to tell his own story of faith – a story of simultaneous faith deconstruction and reconstruction.

With the Rev Dr Wayne Brighton as MC, and followed by a Q&A session
