STUDENT EXPERIENCE SURVEYS – CUSTOMISING SURVEY QUESTIONS

This guide will proceed through the process of customising survey questions in the Student Experience Survey System

CUSTOMISING MY SUBJECT QUESTIONS

If you are a Subject Coordinator for a specific offering and you wish to customise your survey questions please see below. While new questions are not possible, many questions are available from a large list of questions broken up into different categories.

Step 1

NAVIGATE TO: [EVALUATIONS HOMEPAGE](#)

The screenshot shows the "LOGIN TO CSU" page. It includes a "Username:" field with the text "username" and a "Password:" field with masked characters. A red button labeled "LOGIN NOW" is visible. There are several callout boxes: a blue box labeled "Enter details" points to the password field; a blue box labeled "Click Login" points to the "LOGIN NOW" button. Text on the page includes "» Service Login: ce8.connectedu.net", "» Forgot your password?", "You have asked to login to ce8.connectedu.net", "Please use your current CSU login details to activate this service.", and "» Activate my account (only for new users)". At the bottom, there is a checkbox for "AAF sites use only" with the text "Reset my attribute release consent. Checking this option resets your previously given approval for sending information about yourself to AAF sites" and the "AUSTRALIAN ACCESS FEDERATION" logo.
