How can Hosts get a log of the meeting chat?

1. At the end of a meeting click on the drop down menu at the top right of the Chat pod.

2. Select Email Chat History.

3. When Hosts record a session they will also have a record of the chat that took place.

For more information:

1. select the help option from the dropdown box in the pod.

2. visit:

   - Adobe Connect Pro
   - Learn Adobe Connect
   - Adobe® TV
