

Tip #6

FMCENTRAL

Accessing Building Emergency Plans and Hazardous Materials Registers from FMCentral

1. Follow this link to go to [FMCentral](#)
2. Click on 'Map Enquiry' and log in (at this point you may have to enable 'Flash')
3. To search for a CSU building select 'building' from the list of Search Hints on the top right hand side of the page (or type 'building' or 'b' into the search cell), then after a space, enter the building number and press enter;

4. A list will appear containing results that match your search criteria. Click on the relevant building. The map will zoom and centre on the selected building.
5. The right hand Information Panel will display information relevant to the selected building. The 'Building Emergency Plan' and/or 'Hazardous Materials Register' should appear in the 'Building Links' section.

Please note: If you cannot see a Building Emergency Plan or Hazardous Materials Register please contact emergency-planning@csu.edu.au
