2MCE is a community radio station operated by Charles Sturt University (“CSU”) in partnership with the regional community. We serve the social, cultural and educational interests of the community through the provision of facilities, training and programs. We are committed to the principles of Access, Diversity and Independence and the pursuit of excellence in broadcasting. We aim to communicate the views, needs, interests and aspirations of the communities we serve through our operation as a community broadcaster.

At the operational level, 2MCE is a partnership between volunteers and CSU staff. The station provides a professional workplace and training opportunities. Volunteers bring a professional attitude and a respect for reliability, punctuality, honesty, performance and productivity.

2MCE STATION WORKER’S CODE OF CONDUCT

2MCE station workers are required to comply with this Code of Conduct (“Code”).

CSU and 2MCE employees, station volunteers and CSU students are considered “station workers” for the purpose of this code.

The code aims to clarify for all station workers the conduct expected in the performance of their duties.

The code cannot address all possible issues that may be faced in the course of employment and volunteering with 2MCE. The successful development of an ethical environment relies upon station workers having responsibility for their own professional behaviour, taking into consideration the provisions of the code, policies of the station and advice from Management of 2MCE.

OPERATIONAL ISSUES

1. Station workers agree to be a current financial subscriber to 2MCE as a condition of being a program presenter or producer at the station. Financial subscriber status entitles station workers access to 2MCE studios and library.
2. Station workers agree to accept directions and decisions made by the Management of 2MCE on program content, including sponsorship announcements, presentation and technical quality, on-air conduct, access to station premises, use of station equipment and property, strategic planning, risk management, and Work Health & Safety.
3. Station workers agree to support station initiated promotional and fundraising events.
4. Station workers will comply with any reasonable changes in broadcast times as required by Management of 2MCE.
5. Station workers agree to the following guidelines for the presentation of a program:

- 5.2 Arrange for a replacement presenter approved by Management of 2MCE if required;
 - 5.3 Participate in station program initiatives as required;
 - 5.4 Observe program shift hand-over etiquette as advised by station management;
 - 5.5 Observe station program standards as set out by the Programming Sub-Committee.
- 6. Station workers will inform Management of 2MCE, within 48 hours, of any complaint concerning their program or any incidents that might lead to a complaint.
 - 7. Station workers acknowledge that material broadcast on 2MCE is the property of the station, and that such material may only be sold or broadcast to other outlets with the permission of Management of 2MCE. Station workers accept that if such material is sold on a commercial basis the proceeds will, in general, be shared 50/50 between the station and the program maker/s. Station workers accept that 2MCE retains the ownership and copyright of all works which it specifically commissions, such as station promotions, Ids, links, stings and sponsorship announcements. Station workers retain copyright of all other production work they create specifically for broadcast on their program.

- 8. Station workers agree to comply with all codes, regulations and legislation relevant to 2MCE and community broadcasting stations, and undertake to read and comply with any rules and regulations which are communicated by Management of 2MCE. - 9. Station workers involved with presenting or producing a program accept responsibility for the content of their program and agree to comply with media law requirements relating to defamation, contempt of court, copyright and anti-discrimination laws. Station workers will only use music for which 2MCE is licenced to broadcast. Station workers are responsible for the copyright requirements of replaying material downloaded from the internet.
- 10. Station workers recognise that 2MCE, CSU and station workers may be liable for actions, suits, claims, losses and/or damages as a result of comments or conduct on air and will actively minimise any such risk to themselves, the station and the licence holder (being CSU).

USE OF 2MCE/CSU RESOURCES

18. Station workers are expected to maintain, protect, properly use and care for the Station and CSU's resources, including property, facilities, equipment, information systems, and funds. Fraud or theft by a station worker may result in suspension, and where appropriate, legal action will be taken.
19. Station workers will use station equipment and facilities for the production and preparation of program content and for no other purpose without the prior consent of Management of 2MCE. Station workers will not remove station equipment or property without prior authority from the Management of 2MCE.

CONFLICT OF INTEREST AND GIFTS

- 20. Station workers are expected to take reasonable steps to avoid actual, potential or perceived conflicts of interests between their private interests and the interests of 2MCE and CSU.
- 21. Station workers must not give, solicit or receive gifts or benefits that might, or might be perceived to, in any way compromise or influence them in the performance of their duties.
