Subject:	Session 1 (30): BUS220 (70hrs), BUS370 (120hrs) Session 2 (60): BUS110 (35hrs), BUS370 Session 3 (90): BUS110, BUS220
Specialisation:	Business, Management, Marketing
Location:	Orange
Availability:	1 position

Role and Responsibilities

The Cultiv8 intern will work directly with the Partners and Managing Director at Cultiv8, helping to keep the program running smoothly. The role will vary from undertaking research into key technology areas, helping with administration, and being a part of advisory calls with the teams capturing actions and outcomes. For the right candidate there will also be the opportunity to take on more responsibility in areas such as social media marketing.

Further Information:

Responsibilities:

- Research key technology areas working to identify relevant and investable start-ups from around the globe.
- Join calls with teams and partners to observe and document key outcomes and actions.
- Help to establish and improve processes throughout the business, particularly around data management, contact management, CRM administration and startup sourcing channels.
- Support social media marketing and PR.

Preferred Skills:

- Very strong work organisation and team coordination skills.
- Great communicator, positive energy, natural leader.
- Experience working with farmers, farm systems, distributors, and wholesale buyers.

Continued...

-
- Experience with small business / startup environment.
 - Ability to collaborate, negotiate, and compromise with other team members.
-
