SPIRITUAL REMINISCENCE FOR PEOPLE WITH DEMENTIA

WORKSHOP

21-22 September, 2023,

It is practical, it is engaging and it works! – Chris Nelson, Chaplain

‘Spiritual reminiscence is a special way of communication that acknowledges the person as a spiritual being and seeks to engage the person in a more meaningful and personal way.’

This workshop will enable participants to facilitate spiritual reminiscence for older people with and without cognitive decline. These skills will be able to be used either with individuals or in small groups. The skills learnt and used will empower each participant in the many situations they face day-do-day in a professional setting.

Rev Prof Elizabeth MacKinlay AM, FACN, MEd, PhD, Director of the Centre for Ageing and Pastoral Studies, Australian Centre for Christianity and Culture
Elizabeth Pringle, MA, BEd, MEd, MBA, Managing Director, Improvement Matters
