

Doctor of Medicine Placement Compliance Requirements

Verification

As part of studying the Doctor of Medicine you are required to attend Introduction to Clinical Medicine (ICM) tutorials within local health services and clinical placements within general practice.

Students must be compliant with NSW Health vaccination and verification requirements before attending any NSW Health site. If the below steps below are not completed students will not be able to attend placement.

Step 1: NSW Health Compliance and Training – Compulsory

Criminal Record Check	<input type="checkbox"/>
<u>Vaccination Record Card</u> - Page 2 contains instructions to assist you <i>Note: vaccination records and/or serology must be provided</i>	<input type="checkbox"/>
COVID Vaccination – Evidence of full course of COVID-19 vaccination (and booster when eligible)	<input type="checkbox"/>
<u>Attachment Form 6</u> – Undertaking / Declaration Form	<input type="checkbox"/>
<u>Attachment Form 7</u> – Tuberculosis (TB) Assessment Tool	<input type="checkbox"/>
<u>NSW Health Code of Conduct Agreement</u> for Students	<input type="checkbox"/>
<u>Attachment Form 9</u> – Hepatitis B Declaration Form	<input type="checkbox"/>
<u>Blood Borne Virus Student Declaration</u> Form	<input type="checkbox"/>
Influenza Vaccination (required to be updated every 12 months can be recorded on vaccination card)	<input type="checkbox"/>

Additional information on the above requirements and student compliance can be found at:

<https://www.heti.nsw.gov.au/Placements-Scholarships-Grants/clinical-placements/student-compliance>

There are also a number of **mandatory training modules** that must be completed prior to attending an NSW Health site via HETI My health Learning

These include:

- Hazardous Manual Tasks and Work Health and Safety
- Patient Privacy
- Hand Hygiene
- Between the Flags - Tier 1 (Awareness Charts and Escalation)
- Cyber Security Fundamentals
- Infection Prevention and Control Practices
- Personal Protective Equipment for Combined Transmission-Based Precautions

Additional information on how and when to complete these modules will be provided to students.

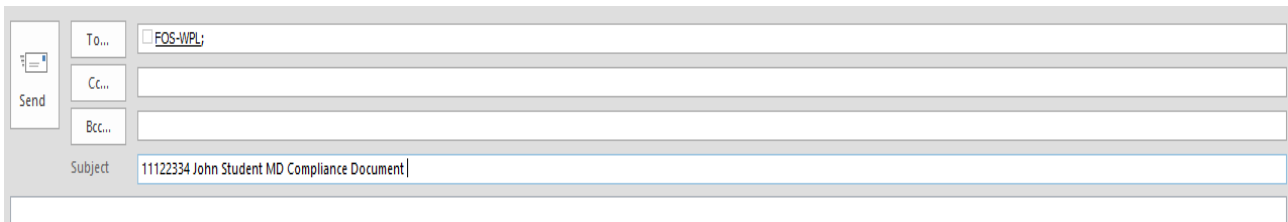

Step 2: Charles Sturt University Requirements – Compulsory

Working with Children Check (WWCC)	<input type="checkbox"/>
------------------------------------	--------------------------

Please note: Students who are allocated to interstate placements, private hospitals or other private organisations may also be required to complete site-specific requirements prior to commencing their placement.

Step 3: Forward your Documents for Assessment

Please forward your documents through to FOS-WPL@csu.edu.au with your details in the subject line (example below).

The screenshot shows an email composition interface. On the left, there is a 'Send' button. The 'To...' field contains 'FOS-WPL;'. The 'Cc...' and 'Bcc...' fields are empty. The 'Subject' field contains '11122334 John Student MD Compliance Document'.

These documents will be checked, logged in Inplace and sent to NSW Health for assessment and verification. Please note assessment by NSW Health can take 2-3 weeks. Once verified by NSW Health students will be notified of successful compliance.

Additional Information and Resources

- **Travel and Accommodation**

All travel and accommodation arrangements, including costs associated with placement, are the responsibility of the individual student.

Please note Charles Sturt University is not responsible for providing or sourcing accommodation.

- **Scholarships and Grants**

Please refer to the Scholarships and Grants tab on the Charles Sturt website.
