

View a Summary of all Subject Offerings for a School

Navigate to appropriate screen

Key Factors to know

- Use this screen to view all Offerings in your school.
- It provides a high level view of the hours of planned work allocated to the Offerings.
- The filter boxes (ie, All Disciplines, Year and Total Times) allow you to define what you want to look at if there is too much information on the screen.
- Selecting Per Student from the Total Times box will enable a comparison of the time allowed per student across all of your Offerings.
- Selecting an Offering name will open the Offering view to enable planning and maintenance of the work planned .
