The Division of Learning and Teaching (DLT)

reports to the Pro-Vice-Chancellor (Learning and Teaching) in the Deputy Vice-Chancellor (Academic) portfolio. We work in partnership with Divisions, Faculties and Schools to enhance student learning at CSU through supporting our teachers.

Our work focuses on:

- **CSU's teaching staff** - developing teaching skills and gaining recognition through awards, fellowships and promotion
- **Curriculum** - fostering the CSU signature delivery methods of Practice Based Education, Online Learning and alignment to our Indigenous Education Strategy, assuring best practice in assessment of student work, and their evaluation of our work
- **Learning environments** - enhancing educational technologies and on-campus learning spaces
- **Online learning** - promoting high quality, innovative online learning
- **Adaptive learning and teaching** - leveraging data and analytics to improve student learning

DIVISION OF

Learning & Teaching

Learning Design

Support, advise and guide CSU staff in the design and implementation of best practice in course and subject design, and the development of effective and appropriate learning and teaching strategies in face-to-face, online and blended environments

- Course Design and Review
- Subject Development
- Interact2 professional development & support
- Assessment design
- Learning pedagogies

Learning Technologies

Manage the university's online learning environments and provide educational input into the design and use of its physical learning environments, providing leadership and support across the university in introducing new learning technologies and spaces

- Interact2
- CourseSpace
- Learning analytics and adaptive learning
- Paperless marking
- Workplace Learning Systems
- Academic Compass
- Subject Experience Survey

Learning Academy

Promote academic development, reward and recognition for teaching, peer review of educational practice, scholarship of teaching and learning, educational leadership development, workplace learning, cultural competency and graduate learning outcomes

- Graduate Certificate in Learning and Teaching in Higher Education
- Professional learning and sessional staff support
- Assessment, moderation and benchmarking
- Awards, grants and fellowships
- Peer review and academic promotions
- Indigenous Cultural Competency Program
- Professional Practice and Workplace learning
- Graduate Learning Outcomes, including change agent GLOs
- Scholarship of Teaching and Learning

Learning Resources

Produce and source innovative, engaging and fit-for-purpose learning resources and provide advice, guidance and leadership in the creation and use of learning resources across CSU

- Media services
- Open educational resources and pathways
- Campus D-I-Y media spaces

Learning Online

Promote and sustain high quality online teaching and learning through innovative digital practice, scholarship and incubation

- Transform Online Initiative
- Distance Education strategy
- Online Learning Model
- Online Teaching Standards
- ulmage
