

Facility Use

Students and their studies

One of our main purposes here at WRSC is to support Charles Sturt students in their studies through the provision of state of the art facilities including quiet study spaces, equipped with wifi, computers and a printing facility. The impact of this on your studies can be profound:

“I had booked in to do the course by distance education but I had no idea how I would do it. I couldn’t believe it when I first came here ... it’s an incredible learning environment. I couldn’t have achieved what I have without the CSU Study Centre” Andy, Masters of Education.

At WRSC we also act as a regional exam centre, welcoming students from many universities.
