N/A                      1                      2                      3                      4                      5

Comments:

**Supervision**

**Access and Arrangements** (amount, reliability, availability, and approachability)

N/A                      1                      2                      3                      4                      5

Comments:

**Theory/Practice Links** (directed to appropriate reading, models made explicit)

N/A                      1                      2                      3                      4                      5

Comments:

**Nature of Clinical Advice** (appropriate to level, flexible, alternative approaches)

N/A                      1                      2                      3                      4                      5

Comments:

**Guidance Given** (on treatment techniques, case management, test administration, interpretation, report writing, etc.)

N/A                      1                      2                      3                      4                      5

Comments:

**Methods of Teaching** (variety, including didactic, mutual observation, joint work)

N/A                      1                      2                      3                      4                      5

Comments:

**Provision of Feedback on Performance** (constructive or not, sufficient or insufficient amount, overly positive or overly negative, both unprompted and on request)

N/A                      1                      2                      3                      4                      5

Comments:

**Relationship Issues**

**Support** (with difficult cases, with colleagues, with own feelings)

N/A                      1                      2                      3                      4                      5

Comments:

**Mutuality** (sharing ideas, encouraging expression of ideas)

N/A                      1                      2                      3                      4                      5

Comments:

**Encouragement** (adapted to trainee level, moves toward autonomy facilitated, positive aspects noted)

N/A                      1                      2                      3                      4                      5

Comments:

**Experience Provided**

**Case Work** (under/over demanding, range, depth, choice)

N/A                      1                      2                      3                      4                      5

Comments:

**Work Load** (too much/too little, balance, choice)

N/A                      1                      2                      3                      4                      5

Comments:

**Liaison with Other Professionals** (opportunity, nature of, relationships with other disciplines clarified or not)

N/A                      1                      2                      3                      4                      5

Comments:

**Non-Clinical Work** (eg., teaching roles, administration, liaison with other staff, research)

N/A                      1                      2                      3                      4                      5

Comments:

**Overall Rating of the Placement**

Excellent

Very good

Satisfactory

Disappointing

Unpleasant/negative

**Student's General Comments**

What aspects of the placement were particularly beneficial to your learning experience?

What would you consider to be the particular strengths of the placement?

What aspects of the placement and/or supervision would you like to see improved?

**Supervisor's General comments** - including Charles Sturt University Workplace Learning procedures.

Did your host offer any paid employment/promotion/  
other? Provide details

Would you recommend your Host Organisation to other  
students? Provide details

By undertaking work placement my employability skills were enhanced.  
Comments

Was your experience with the Workplace Learning team positive?  
Comments
