University

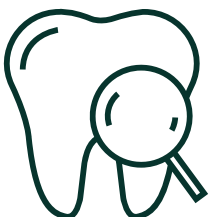

Dental surgery for hire

Are you a specialist dentist looking for the perfect regional space to treat your patients?

Our dental surgery is now available for hire at the Charles Sturt University Dental and Oral Health Clinic on the Albury campus.

Key features:

- Fully equipped: modern dental chairs, latest dental care technology, and all essential tools.
- Support: dental assistance and reception services.
- Prime location: conveniently situated with easy access for your patients, servicing both sides of the New South Wales / Victorian border.
- Flexible hours: rent by the day to fit your schedule.
- Comfortable environment: designed for patient comfort and privacy.
