

Social Impact in India

Funded WIL experience to India for credit!

Are you passionate about making a difference?

This is your opportunity to get international work experience, collaborate with like-minded individuals and address real-world challenges that truly matter.

This program, hosted by Parul University, focuses on projects addressing social impact, with key areas including the environment, disability, digital inclusion, homelessness, and mental health and wellbeing.

Earn academic credit while contributing to a meaningful Social Impact Project at Parul University in India. In country accommodation, food and travel provided free of charge by Parul University.

Additionally, 10 travel scholarships (up to \$3,000) are available to support international travel, insurance, and visa costs.

If you require additional funding, there are other options available, including:

- OS-HELP Loan
- Vice-Chancellor Travel Grant: \$400
