Further information:	Students will gain practical exposure to a boutique financial advice practice, with professional supervision, regular feedback and a variety of responsible work activities. Depending on the student's level and subject requirements, activities may include: • shadowing financial advisers and the support team to understand client service and advice processes; • assisting with research relevant to superannuation, retirement, insurance, succession and estate planning, investments and share broking; • supporting client service, administration, data collation and report preparation activities; • contributing to a defined research, process-improvement or business project appropriate to the placement hours; and • working as part of a six-person team in a professional financial services environment. There may also be future full-time or part-time employment opportunities for the right candidate, including administration/support roles.
How to apply:	Email cover letter, résumé and academic transcript to Sarah Lindsay (sarah.lindsay@ironbarkwealth.com.au) or call (02) 6884 4680 for further information.
Closing date:	Open until filled
