Introduction

The CSU Policy Library is the sole authoritative source of official academic and administrative policies, procedures, guidelines, rules and regulations of the University.

CSU Policy Library has been developed to provide easy access for students, staff and other stakeholders to current and past University rules, policies, procedures, guidelines and membership and terms of reference.

Policies can be found by browsing the A to Z listing or by using the Search facility.

The Policy Library Bulletin Board provides access to policies under review for feedback and comment and notice of new and recently revised policy documents.

To assist users of the CSU Policy Library - a frequently asked questions (FAQ) page provides information on the CSU Policy Library and there is also a common glossary of terms and their standard definitions for policies, procedures and guidelines.

Each policy document includes information on who is responsible for the policy and links to information associated with the policy.

Resources for policy development and review are available for policy authors and developers from the Resources tab and also by emailing policy@csu.edu.au

The Bulletin Board displays two lists:

**Recent Approvals** – displays policies, procedures and guidelines that have been approved and/or came into effect in the last two months.

**Draft Documents for Comment** – displays drafts that are currently available for comment.

The 🗝️ indicates that a document is currently only available for comment by members of a small reference group as development is in the preliminary stages. A password will be needed to access these documents. Passwords are issued by the author.
Common Glossary

The CSU Policy Library Common Glossary is a list of terms and their standard definitions for policies, procedures and guidelines. Unless separately defined or the context of the policy requires otherwise then the following definitions apply to each policy.

It is expected that the glossary will be built up over time and documents will gradually be converted to incorporate standard definitions as part of the normal review process.

Click on a letter from A to Z to view Common Glossary items that begin with the selected letter, or use the scroll bar located on the right hand side of this page to browse the entire list.
