Re: CSU Cleaning Service

CSU Cleaning Service have been contracted at St Patrick's Parish School Albury, New South Wales during the 2019 school year. They have worked in collaboration with the leadership of the school, and across all areas in the school, to bring the school environment, to their standards. This far exceeds the standard of cleanliness that they indicated to us they could provide.

We have regular contact and they have provided many practical solutions that have lead to significant improvements across the school. Some of these have been at nil or minimal cost to us. We also appreciate that they do their best to provide an 'environmentally friendly cleaning service.'

Should you require additional information please don't hesitate to contact me.
