

Log Book and Supervision Sessions access guide for Psychology

Log Book and Supervision Session and Activity Log Book

The Log Book and Supervision Session and Activity Log Book have now been updated into a spreadsheet format. We hope this new version makes it easier for you to complete and submit your records.

Getting started

- Open Brightspace and go to your subject site.
- In the My Topics section, open the Placement Forms card. There you'll find:
 - The spreadsheet template for your Log Book.
 - An instructional video showing you how to fill out and record your supervision sessions.

Need extra help?

- Use the discussion forums in your subject site to ask questions or share tips with others.
