# Leadership Development for Women 2021 Program

Prospective Applicants Information Session

24 June 2021 12 noon

# LDW Program 2021

02 August 2021 – 22 October 2021

# LDW Key objectives

- Support women in their career development journey
- Contribute to increasing the number of women in leadership roles by building capability
- Help women leaders to build confidence and reach their full potential
- Increasing leadership skills, capability and knowledge
- Increasing your professional networks and support networks
- An outside-in perspective to challenge current thinking and leadership perspectives
- Supporting the [Workplace Gender Equity Strategy at Charles Sturt](#)
- Program is funded and coordinated by DPC with support from the LDW Committee

# LDW Program

The Program is facilitated by [Nikki Roche](#),  
Director of Blue Zenith, Leadership and Coaching.  
The Program will feature:

- Senior Level Sponsorship – [Professor Janelle Wheat](#), Provost and Deputy Vice-Chancellor (Academic)
- 3 zoom workshops
- [MBTI Step II](#) Leadership Awareness Survey
- 2 coaching sessions
- [Mentoring](#)
- Participation in an Action Learning project aligned to the University Strategy
- Presentation of findings from the Action Learning Project to Senior Leaders
- Reflective Practice
- Access to a range of webinars by internal/external facilitators [view schedule here](#)
- Access to resources, materials and learning to help build leadership capability
- Access to Yammer and LDW networking group to share information and ideas

# LDW Eligibility

The Program is suitable for continuing and fixed-term women leaders and aspiring leaders at levels (B - D) for Academic staff and levels (6 -10) for Professional General Staff.

There are 20 places available in the program & entry is via a competitive selection process.

You must be available to attend the workshops and to have up to 4 hours each week to work on projects, attend webinars or complete readings.

Application forms are available on the web and must be signed by your supervisor.
