

Eligible Postcodes List

The below listed postcodes define the Three Rivers University Department of Rural Health footprint.

To be eligible for this scholarship you need to have evidence that you have spent at least five consecutive or cumulative years with your primary residence being within the following postcode areas.

Where you have spent part of a year in these listed postcodes and part outside these postcodes (e.g. attending school in a postcode not listed but returning to a listed postcode area during school holidays), only those weeks spent in the below listed postcode areas may be counted towards the five years.
