Section 1: Exports that may be controlled, for military use, or have a Weapons of Mass Destruction (WMD) utility (per the Act)

For questions in this section:

- ✓ If the answer is yes, then an export permit is required.
- ✓ If the answer is no, move to the next question.
- ✓ If you are unsure, contact DEC for further information.

(a) Does the export activity involve goods/technology specially designed or modified for military use (including production equipment intended to produce military goods)?	<input type="radio"/> Yes <input type="radio"/> No
(b) Are the goods listed in the Defence and Strategic Goods List (DSGL) http://www.defence.gov.au/ExportControls/DSGL.asp?	<input type="radio"/> Yes <input type="radio"/> No
(c) Could the goods assist a Weapons of Mass Destruction program, including ancillary activities used to support such programs? This includes: <ul style="list-style-type: none"> • For use in chemical or biological weapons • An end-use that is nuclear-related; or • For the development of, or use in, missiles or rockets. 	<input type="radio"/> Yes <input type="radio"/> No
(d) Are any 'red flags' triggered? Please refer to the DEC 'Detecting Suspicious Approaches' website at: https://www.defence.gov.au/business-industry/export/controls/training-faqs/awareness-training/module-three#RedFlags	<input type="radio"/> Yes <input type="radio"/> No

Comments

If you have answered yes to any of these questions, contact the Defence Trade Controls Committee at dtcc@csu.edu.au in the first instance, and Defence Export Controls (ExportControls@defence.gov.au) prior to proceeding with the export/supply activity.
