## Cadet Placement Position

### Maas Group Junior Cadet

MAAS Group (ASX: MGH) is a multi-national company experiencing sustained growth across its key business units of Property Development, Civil Works, Plant Hire, Construction Materials, Electrical and Manufacturing. MAAS Group's continued growth is underpinned by a substantial, committed delivery pipeline of projects and further investment strategies in infrastructure by the public sector.

Established in 2002 with one Bobcat and a tipper truck by Wes Maas, Maas has been built on reputation and today encompasses expanding construction materials, civil construction and hire, manufacturing and real estate divisions.

With a fleet of over 450 machines and a diverse and experienced team of 1,200 plus employees, Maas ensures the highest standards of delivery are met on time, every time.
