University

## SATURDAY OPENINGS

Due to poor attendances at the monthly Saturday openings over a prolonged period of time, the Charles Sturt University Regional Archives is amending the process for Saturday openings.

If you would like the Regional Archives to open on the first Saturday of a given month, can you please notify a member of staff to register your interest? Registrations must be received no later than one week prior to the first Saturday of the coming month.

If enough registrations are received to warrant opening for a particular month, then the Regional Archives will open on the Saturday from 9.00am – 1.00pm (please note change in hours).

Conversely, if only a small number of patrons express interest, then the Regional Archives WILL NOT open on the proposed Saturday.

If you have any questions or concerns, please feel free to contact me.
