Cadet Placement Position (s)

Bellingen Shire Council

Civil Engineering Cadet (2 positions)

<https://www.bellingen.nsw.gov.au/>

Situated on the NSW Mid North Coast, the Bellingen Shire is a lifestyle region. Distinguished by its ecological diversity, the region consists of three broad topographical areas– ocean, rivers, and the mountains. With a shared “*connected, sustainable and creative*” vision. residents, businesses and government are united in realising a contemporary regional ecosystem; empowered by exceptional assets, bold people, and future-ready practices.

Pay Rate (full time per week)	TBA
Hours per week	28 hours
Location:	Bellingen Shire Council
Proposed Start Date:	Mid 2021

Further Information:

This role provides professional work experience aligned to a course of study while supporting the delivery of objectives and meeting client needs within the Engineering Support Services Design and Traffic Engineer division.

Under the guidance of experienced supervisors and colleagues the Engineering Cadet will develop skills, knowledge and experience associated with engineering activities. Cadets will participate in specialised placements and/or rotations, undertake a broad range of tasks related to Engineering and actively contribute to key delivery areas for Construction Services. The cadets will be managed by the Operations Engineer, Engineering Support Services Design and Traffic Engineer division regarding objectives and day to day activities of this position.

Further enquiries can be made to Caroline Szary 0448 530 363

Eligibility Requirements

Placement may include: Geotechnical, Hydrology, Project Management, Road Design, Structural, Subdivision, Water Quality, other.

Up to one day per week may be allocated for study purposes. This will be negotiated with the successful applicants.
