International Student Guide
2027

Charles Sturt University

At Charles Sturt University, you will gain an internationally recognised qualification and be provided with the opportunity to have an Australian experience like no other.

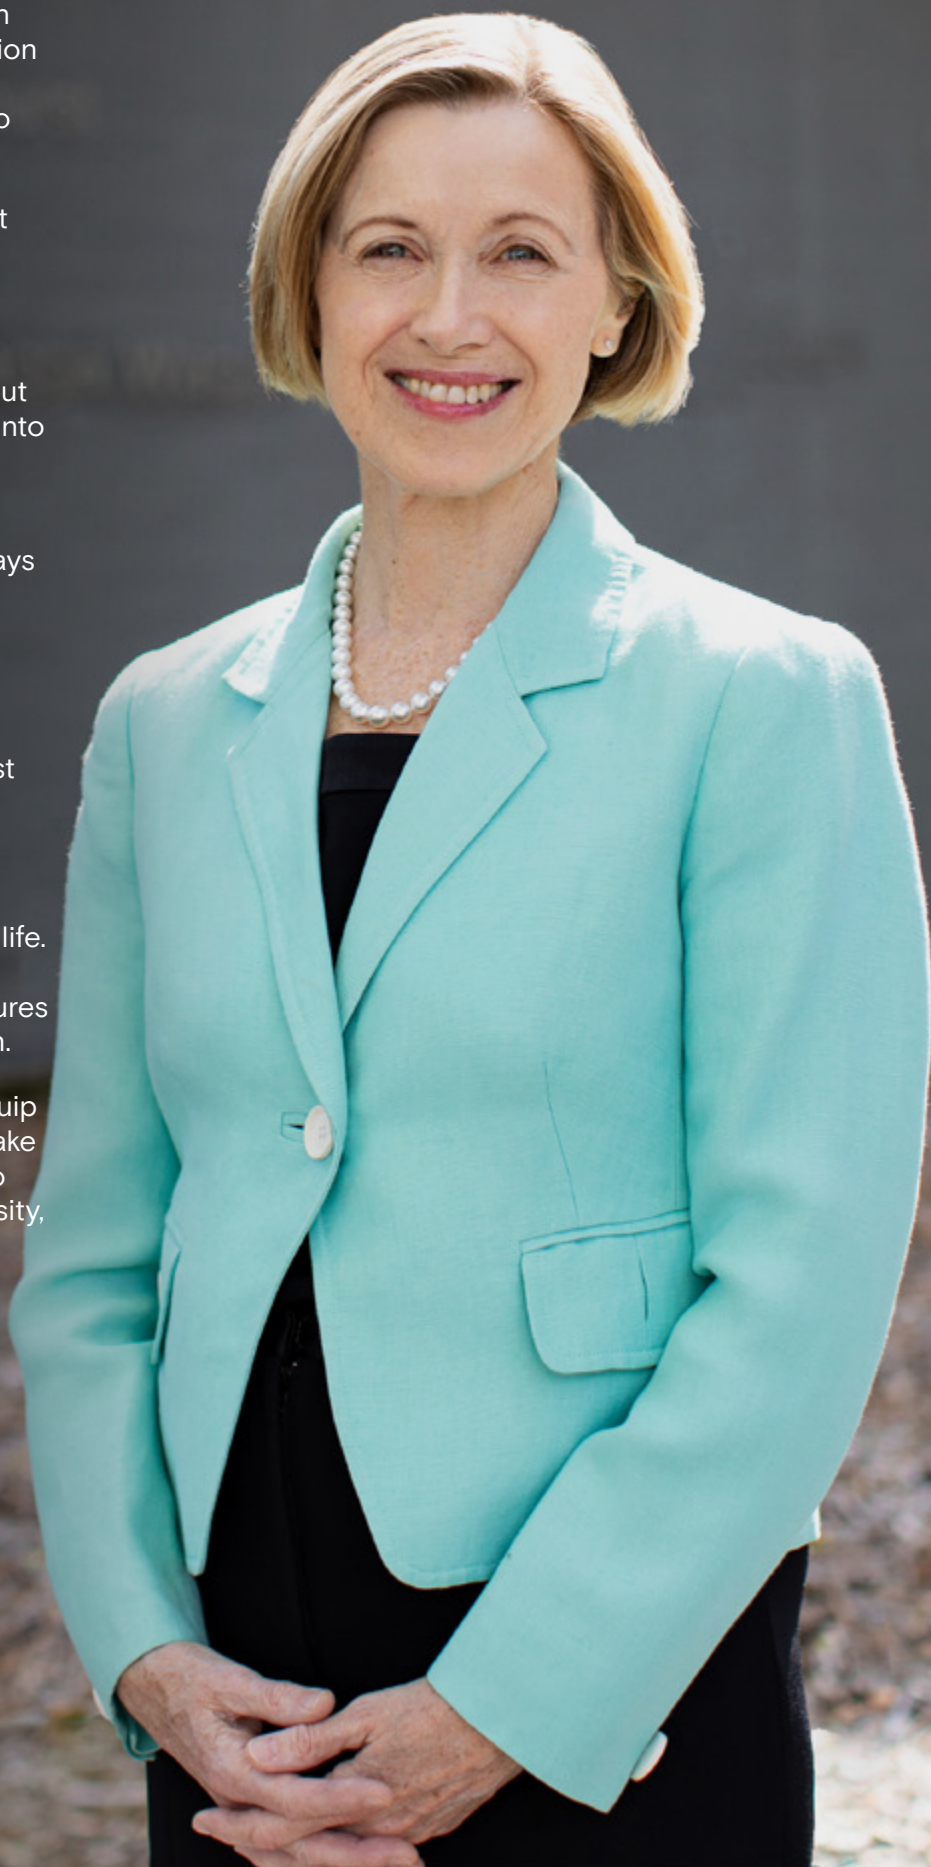

During your studies in some of the best learning and teaching facilities, you will receive a world-class education and excellent student support, both academically and personally. This will enable you to thrive, not only throughout your degree, but as you move forward into the workforce.

We have forged strategic partnerships with industries to create growth pathways and increase work-integrated learning placements, expanded our reach to provide further global immersion opportunities and learning abroad programs. We focus on practical, hands-on learning and have the highest graduate employment rate of any university in Australia.

Our regional campus environments are unique and full of Australian native wildlife. Our class sizes are typically small to maintain a quality of teaching that ensures you get the most out of your education.

I am confident that your studies will equip you to have a bright future and undertake a successful career. We look forward to welcoming you to Charles Sturt University, where you will be a part of a vibrant community, make lifelong connections and receive the support and the attributes you need to succeed in today's global workplace.

Life in Australia

Australian people are friendly and welcoming. We are a country known for our cultural diversity, with almost 28% of Australia's population born overseas and more than 300 languages spoken in Australian homes.* After English, the most common languages are Mandarin, Arabic, Vietnamese, Cantonese and Punjabi.

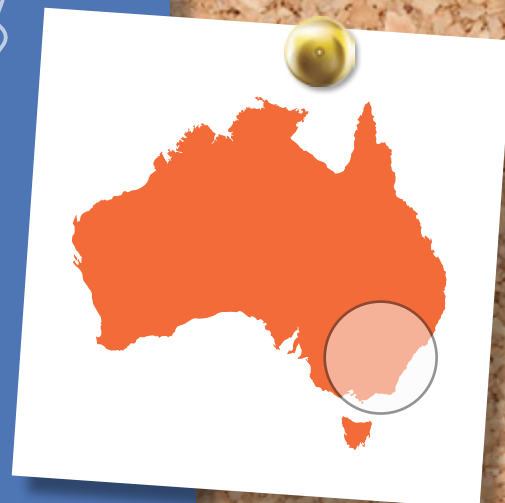

Charles Sturt University is based in the state of New South Wales (NSW) which borders the states of Queensland, Victoria and South Australia.

Our main campuses are in some of the fastest-growing regional cities and towns in NSW, which means you can have city living with the benefits of a regional lifestyle. Each Charles Sturt campus is unique and home to Australian native wildlife, such as kangaroos, koalas and kookaburras.

Where we are

Live on campus

The ultimate uni experience

Everything you need is within easy reach when you live on campus, including learning spaces, support services, free wi-fi and plenty of opportunities to connect. Join social events, cultural activities, clubs and barbecues, and become part of a welcoming community with students from Australia and around the world.

Feel supported

Residential Leaders and the Residence Life team are there to help you settle in, connect with support services and make the most of campus life.

Find your community

Meet people through student clubs, social sport, cultural activities and campus events. It's a great way to connect with students from Australia and around the world.

Secure your place

First-year international students who apply by the relevant deadline are guaranteed a place in on-campus accommodation.^

Accommodation

We have accommodation on all six of our regional campuses.

Choose from furnished rooms, cottages, villages and apartments. Accommodation types and facilities vary by location, so you can find an option that suits your lifestyle, study needs and budget.

Start planning before you arrive in Australia and apply early, as popular accommodation options can fill quickly. International Student Support Officers can also provide information and advice about off-campus options.

Plus, living on campus means being safe and supported:

- **Feel supported:** Residential Leaders and the Residence Life team can help you settle in and connect with university support services.
- **Stay secure:** Charles Sturt campuses are regularly patrolled by security teams 24 hours a day, seven days a week.
- **Plan your payments:** Choose to pay accommodation fees weekly or annually.

Studying in Sydney or Melbourne? While Charles Sturt-managed on-campus accommodation is available at our six regional campuses, students in Sydney and Melbourne can explore homestay, private rentals, shared housing and purpose-built student accommodation.

Perks of living on campus

- ✓ Utilities and internet included.
- ✓ Fully furnished rooms.
- ✓ No rental bond.
- ✓ Weekly or annual payment options.
- ✓ Residential Leaders and dedicated support.
- ✓ 24/7 campus security.
- ✓ Laundry and shared facilities.
- ✓ Dedicated study spaces.
- ✓ Food outlets or meal plans at most campuses.
- ✓ Student activities and events.
- ✓ Free parking.

Your life on campus in

Wagga Wagga

Vibe: laid-back and agricultural

Foodies, sporting fans, agriculture students, musicians and artists all call Wagga Wagga home. It's the perfect location to live, study and thrive. Maybe because it's right at the heart of the NSW food bowl. Sitting on the banks of the Murrumbidgee River, it has a proud sporting history, a thriving cultural calendar including theatre, music, art and markets, and a vibrant restaurant and café scene.

This is our biggest campus, with extensive teaching, research, recreation and agricultural facilities. It's packed with state-of-the-art facilities, including clinics, labs and studios. It's home to a 2,000-hectare mixed-use farm – which happens to be the largest digital farm in the Southern Hemisphere – and a commercial winery. And it comes with loads of sports and rec facilities, including the gym; squash, tennis and basketball courts; and a swimming pool.

The Charles Sturt application process was smooth. I'm the first in my family to study overseas, so when I read the email saying I'd received the Vice-Chancellor's Scholarship, which covers 50% of my tuition, I cried. It wasn't just for the financial relief, but because it felt like a sign that I could really do this.
