**x** = No DWG to be formed at campus (either due to no staff from the DWG being present on the campus or staff numbers being <20). Therefore no HSR required. Staff in a group of less than 20 will join with another suitable group to form a DWG of sufficient size.

**✓** = A group under that DWG name will be formed at the campus and a HSR subsequently elected to represent the group

**Allocation of additional HSR and Deputy HSRs**

- Where the numbers of staff at a campus within an identified DWG are too small (e.g. <20), no DWG will be formed and those staff will join with another suitable group for the purpose of OHS representation.
- Where the numbers of staff at a campus within an identified DWG are large (e.g. >250), a second trained HSR will be appointed (in place of a Deputy HSR)
