

DON'T RULE YOURSELF OUT!

Scholarship applications are now open.

APPLY TODAY! csu.edu.au/scholarships

You don't need to be the world's best student, you just need to put in the time and apply. What have you got to lose?

GOOD LUCK!

1 DON'T ASSUME YOU WON'T BE SUCCESSFUL

Many scholarships go un-awarded because people assume they won't be successful. Go for it!

2 DON'T ASSUME FINANCIAL HARDSHIP DOESN'T APPLY TO YOU.

It isn't linked to Centrelink or Austudy. It's simply about those finding it difficult to provide for themselves, their family or dependents be it food, accommodation, clothing, medical treatment and education. If you're working to support yourself and this cuts into study time. that's financial hardship. The secret is to tell us why it's tough.

3 DON'T ASSUME IT'S TOO HARD OR NOT WORTH THE EFFORT.

It's not as hard or as time consuming as you think. 75% of students say it's easy. Apply Now!

4 ANSWER THE QUESTIONS

Don't skip questions because you think they don't apply... and take the time to write more than one line. A couple of sentences will increase your chances. Donors are interested in YOU! Tell them about yourself.

5 CHECK BEFORE SENDING

Make sure you have attached any documents required and give your application a proof read. Ask for help from family or friends with a second read, just to be sure you've covered everything.
