*If you wish to release the survey to students early, please advise: sessupport@csu.edu.au. This service has been made available to support subjects that finish early in the session (e.g. residential schools). It is not advised for subjects following the typical session timeline.

Please note, where a survey is made available to students early: a) the Subject Co-ordinator will be responsible for all communication to students regarding the early availability of the survey and any reminders to complete and b) any students who do not complete the survey before the official opening date will still receive the subsequent automated notifications.
