Key Points to know when Entering Information

- The Sessional Verifier is the person who reviews new Sessional Academic candidates and approves/rejects them.
- Only the School Info Maintainer and the Head of School have the ability to add a user to the School Roles.
- A verifier can be assigned to more than one Discipline.
- When assigning a person to a Discipline click on Add Verifier in the table beside the Discipline description . This will allow the Discipline to be automatically populated when you are moved to the Add New Sessional Verifier screen.
