

Uni packing checklist

6 things to do before you arrive

1 Get your student card

You can apply for your Charles Sturt University student card online and pick it up from Student Central on your first day. Your card gives you access to your accommodation and other facilities.

2 Get a TFN

You'll need a tax file number (TFN) from the Australia Taxation Office if you have received a Commonwealth supported place.

3 Get a USI

A Unique Student Identifier (USI) is your lifelong education number required by the Australian Government for anyone studying in a Commonwealth supported place. Visit usi.gov.au to get a USI.

4 Get organised

Reduce your stress by setting up weekly BPAY payments for your accommodation.

5 Get a travel card

If you're studying full-time at Charles Sturt, you're entitled to reduced fares on regional train services, interstate train services and some local buses. Apply for a transport concession entitlement card online.

6 Get a health check

Visit your doctor before you leave home to make sure you start uni in the best possible shape.

Your first day at uni is just around the corner. Feeling pumped? Before you kick off your next exciting chapter, take a moment to check you're organised for your new life on campus.
