

Wangaratta Regional Study Centre

Facilities

Supporting regional training and study

With state-of-the-art facilities, the Wangaratta Regional Study Centre offers support for both Charles Sturt University students and the training needs of regional organisations.

From spaces for seminars and forums to video conferencing facilities, quiet study spaces and student computers, our facilities can support online and in-person teaching and learning, academic research and the development of knowledge, the development of industry and community partnerships and the delivery of services into NE Victoria.

"I had booked in to do the course by distance education but I had no idea how I would do it. I couldn't believe it when I first came here ... it's an incredible learning environment. I couldn't have achieved what I have without the CSU Study Centre" ~ Andy, Masters of Education
