Facilities

Supporting Students in their studies

With the provision of state-of-the art facilities, WRSC offers support for Charles Sturt University students including quiet study spaces equipped with WiFi, computers and a printing facility. The impact of this on the student experience can be profound:

"I had booked in to do the course by distance education but I had no idea how I would do it. I couldn't believe it when I first came here ... it's an incredible learning environment. I couldn't have achieved what I have without the CSU Study Centre"

~ Andy, Masters of Education

We also act as a regional exam centre, welcoming students from many universities.
