

## 2022 Senior to Professional Cadet | Building and Construction

The Zauner Construction Building Cadet is now open for 2022 placements, providing a wonderful opportunity for the right person to work with the Zauner team in the Central West.

Align yourself with a well established, award winning regional construction company. Zauner Construction is a privately owned, family based commercial construction company with a 65 + year history. We deliver a wide range of exciting construction projects, varying in size and complexity for a diverse range of clients across different industry sectors and states.

Operating across regional New South Wales and Victoria, with offices in Orange in the Central West NSW and Ulladulla on the NSW South Coast, we deliver a range of projects in size and complexity ranging to \$80M. From state of the art hospitals, education, multi residential, industrial, commercial projects, to select work in the metro centres.

Zauner has been undertaking works in Orange and the central west region for over a decade. Since then, our team has established a solid core of locally based construction professionals running the projects from our now permanent central west office at Forest Road, Orange. We're hoping to grow the team by appointing a Building Cadet who will be a valued part of the Orange team.

**zauner**  
construction

**Charles Sturt**  
University

This exciting opportunity provides a stable and enjoyable working environment with strong growth opportunities both personally and professionally. This diverse role will include invaluable mentoring and advice from seasoned Construction Professionals who will assist the successful applicant with building practical skills and knowledge in the construction industry.
