AGccessibility Scholarships: Diversifying the next gen of Agriculture

Anthony Costa
Foundation

goFARM

AUSTRALIAN
FARMING
SERVICES

The Anthony Costa Foundation, goFARM Australia and Australian Farming Services (AFS) have joined Charles Sturt in supporting the future of the Australian horticulture and broader Agricultural sector.

The Anthony Costa Foundation, goFARM and AFS have committed over \$1 million to a Scholarship program for students from low SES and First Nations backgrounds.

The project will build capability and capacity for Australia's agriculture industry and contribute to the goal of becoming a \$100 billion industry by 2030.

Charles Sturt Agriculture Scholarships

Agriculture is one of the most rapidly changing fields of study in the 21st century. As such, there is high demand for skilled professionals to develop ethical and sustainable food production systems, to support the world's growing populations.

The Bachelor of Agriculture from Charles Sturt University will provide you with education across all major disciplines that underpin modern agricultural industries.

With a science-base, this agriculture degree also focuses on practical issues facing modern agriculture, producers, agribusiness and the environment.

Search for "agri" to see all the relevant opportunities available.
