2025 FOBJBS HDR and Honours Conference

Advancing FOBJBS Research through HDR and Honours Scholarship!

We extend a special invitation to all Higher Degree Research and Honours students, supervisors and faculty academics to join us at an exciting conference focused on advancing FOBJBS research.

This FOBJBS HDR and Honours conference offers a platform for HDR and Honours students and academics to explore the cutting-edge research topics, engage with innovative ideas, and shape their research for solving Australia's regional challenges with global impact. During this conference you will connect with distinguished keynote speakers, collaborate with peers and research support teams, and present your outstanding projects.

This year the conference will be held online with meet and greet sessions on the Albury, Bathurst, Port Macquarie and Wagga Wagga campuses. *There is no travel support available.* If you are located close to one of these campus locations and can travel at your own cost, then please do so.

Let's celebrate and explore the great research ideas during this conference and advance FOBJBS research with our HDR and Honours students!
