Academic Senate

2014 Annual Report to Council

The Charles Sturt University By Law 2005 outlines the general functions of the Academic Senate as follows;

(1)   *The principal functions of the Academic Senate as the principal academic body of the University are as follows:*

(a)   *to advise the Council and the Vice-Chancellor on all matters relating to teaching, scholarship and research conducted at or in connection with the University,*

(b)   *to ensure the high quality of teaching and learning within the University by developing and implementing appropriate policies,*

(c)   *to determine lists of graduands of the University specifying the award and the level of award that each of the graduands is to receive,*

(d)   *to advise the Vice-Chancellor on the teaching and research activities of the University and on the allocation of teaching and research responsibilities within the University's faculties,*

(e)   *to consider and report on all matters referred to it by the Council or the Vice-Chancellor,*

(f)   *to make recommendations to the Council or the Vice-Chancellor about academic standards or facilities at the University.*

(2)   *The Council may make rules under clause 108 that confer additional functions on the Academic Senate.*

(3)   *The Academic Senate has such other functions as may be necessary to enable it to exercise the functions specified in subclause (1) or added by virtue of subclause (2).*

These functions are further articulated in the Governance (Academic Senate) Rule 2006 No.6 (hereafter referred to as the Rule).

This document details the functions of the Academic Senate contained in the Rule and identifies how each function has been addressed by Academic Senate during 2013.

Attachment 1 summarises the attendance information for members of Academic Senate at the 2014 meetings.

Submitted to University Council
by Professor J Reid
Presiding Officer, Academic Senate
1 February 2015

Functions assigned in Governance (Academic Senate) Rule 2006 No.6	2014
(a) *provide advice to the Council and Vice-Chancellor on:* (i) *all matters relating to teaching, scholarship and research conducted at or in connection with the University, including general advice on the academic priorities and policies of the University; and* (ii) *teaching and research activities of the University and on the allocation of teaching and research responsibilities within the University's facilities; and* (iii) *academic aspects of the formulation and review of the University's strategic plan; and* (iv) *any academic matters that it considers to be of importance; and* (v) *the maintenance of academic standards;*	In 2014 the Academic Senate provided advice to the Council and Vice-Chancellor on: • the review of the Academic Promotions Policy, • Workplace Learning Policy issues – guidelines for working with students with a disability; confidential agreement – one way disclosure and WPL disclosure form, • the amendment of the membership of the Governance (Academic Senate) Rule 2006 No 6, • Academic Risk & Risk Mitigation Schedule, • recommended the approval of the CSU Research Narrative by the SEC, • endorsed those parts of the Use of External Educational Technologies for Learning & Teaching Policy that apply to learning & teaching principles & academic policy & endorsed its approval by SEC.
(b) *accredit and review new and existing academic courses, with particular responsibility for ensuring that:* (i) *the structure and requirements of each course are consistent with the award to which it leads; and* (ii) *the depth of content and standard of assessment of each course is appropriate to the award to which it leads; and*	NOTE: The Faculty Courses Committees have delegated authority from Academic Senate with respect to the approval of all course documentation except master by research programs and research doctoral programs. They approve additions and deletions to the course profile for the Faculty, approve all proposals for new or revised courses submitted for accreditation, ensure that documentation for new or revised courses, specialisations, majors and minors (and the subjects that comprise them) include all certifications or attestations required to demonstrate conformity with Academic Senate and Faculty policies and procedures designed to ensure the quality of such courses, specialisations, majors and minors including their relevance to the professions and industries they serve and they ensure that details of courses and subjects approved in documentation before it are consistent with the official, advertised content of these courses and subjects published in the University Handbooks, CASIMS and other official publications and systems.

	(iii) *the methods of course delivery are appropriate in achieving the purpose of the course; and* *(iv)* *the course and the award to which it leads are consistent with the Australian Qualifications Framework;*	The Research Advisory Committee has delegated authority from the Academic Senate for overseeing, and advising the Academic Senate on the accreditation of research higher degree courses and research professional doctorates. In particular, the Research Advisory Committee is responsible for the final approval of all higher degree research program proposals and research professional doctorate proposals emanating from the Faculties and recommends changes to the Academic Senate's policy on course accreditation.' In 2014 the Academic Senate considered and approved the following course-related issues; • amendments to the Graduate Learning Outcomes matrix • amendments to Course Review Policy, • transition policy arrangements for Smart Learning early adopting courses, • noted the practical guide to internationalization of the curriculum, • that graduate learning outcomes at coursework postgraduate and graduate entry level be determined on a case by case basis, • additional credit for eligible students in the Master of Business Leadership, Master of Dispute Resolution, Master of Medical Ultrasound, Bachelor of Policing & the Bachelor of Policing (Investigations), • guidelines for higher degree by research graduate attributes.
	(c) *approve the list of awards to be offered by the University;*	See schedule at ATTACHMENT 2.

(d)	*formulate, approve and review regulations in relation to academic matters including, but is not limited to, regulations applying to admission, enrolment, credit, assessment, examination, exclusion and graduation;*	In 2014, the Academic Senate approved and reviewed the following academic regulation matters; • amendments to Credit Policy, • amendments to Early Intervention Policy, • governance issues associated with multi-session subjects, • amendments to Academic Progress Policy, • amendment to Student Academic Misconduct Policy, • CSU Non-Award offerings Policy, • amendments to Executive Dean's List Policy, • governance arrangements for Smart Learning Committees, • amendments to Assessment Policy, • endorsed those parts of the policy & guidelines on the Use of External Educational Technologies that relate to learning & teaching principles & academic policy, • amendments to Admissions Policy, • amendments to the English Language & Numeracy Policy, • amendments to the Special Consideration Policy, • amendments to the Referencing Policy, • changes to assessment turnaround timelines, • changes to feedback roles in the Smart Learning Course Approval Policy.
(e)	*determine the lists of graduands of the University specifying the award and the level of award that each of the graduands is to receive;*	In 2014 the Academic Senate approved the lists of graduands for eligible graduands who had applied to graduate *in absentia* or at the following graduation ceremonies: Canada, Policing graduations, Hong Kong and the annual graduation ceremonies at Bathurst, Wagga Wagga, Albury-Wodonga, Dubbo, Orange and the School of Theology.

(f)	*approve the regulations applying to prizes that are to be available on a university-wide basis; and*	Academic Senate has approved the prize regulations applying to prizes that are awarded to eligible students and graduands on a university-wide basis (refer to the Prize Policy in the CSU Policy Library). In 2014, Academic Senate approved that University Medals be awarded to five undergraduates.
(g)	*require the production and submission of reports in relation to academic issues from, or refer academic matters to, Faculties, other organisational units and committees for consideration and action as required;*	In 2014, the Academic Senate received and considered reports on the following academic issues; • Building University Study Success (BUSS) Project, • Assessment & Moderation Implementation Steering Group, • Graduate Learning Outcomes Implementation, • reports from the sub-committees of Academic Senate, Faculties, Deputy Vice-Chancellors and the student members of Academic Senate (on behalf of the Student Senate), • annual report on academic misconduct, • the 2013 higher degree by research annual report, • the 2013 annual report of the Education for Practice Institute (EFPI), • international linkages & partnership delivery arrangements, • CSU research performance, • sectoral trends in research & research training data, • higher degree by research supervision report, • 2013 cohort tracking report, • 2013 university experience survey institutional report for CSU, • report on scaling of the 2014 NSW HSC, • 2013 progress rate report, • the revised Curriculum, Learning & Teaching Framework, • progress reports on Smart Learning, • briefing notes for international agreements.

(h) assure the quality of teaching, scholarship and research in the University;	In 2014 the Academic Senate; • provided regular advice to the Building University Study Success (BUSS) Project & received regular reports on the project, • approved amendments to the Graduate Learning Outcome matrix, • approved higher credit limits for identified individual students and in the following courses: Master of Business Leadership, Master of Dispute Resolution, Graduate Diploma of Medical Ultrasound (an exit point course in the Master of Medical Ultrasound program), Bachelor of Policing, Bachelor of Student Policing(Investigations) and Master of Midwifery, • reviewed and amended academic regulations & policies, • approved changes to the terms of reference of the Curriculum Learning & Teaching Committee, Faculty Boards, the Education and Business Faculty Assessment Committees and the committees of CLTC, • approved the revised CSU English Language & Numeracy Policy, • provided feedback to the working party established to develop the Policy for Qualifications & the Recognition of Equivalent Professional Experience for Academic Teaching Staff & endorsed the Policy, • approved guidelines for editing research theses, • approved the Research data Management Policy, • discussed the development of the credit precedence database, • discussed university research performance, • considered a report on higher degree by research supervision a CSU, • approved the implementation of the CSU Indigenous Research Strategic Plan, • discussed the CSU Research Narrative, • provided feedback and approved the statement defining 'research active' at CSU, • approved guidelines for higher degree by research graduate attributes.

(i)	*initiate and oversee a formal and regular program of review of academic and research activities of the University; and*	In 2014 Academic Senate initiated and/or completed reviews of the following academic regulations and policies; • the terms of reference for School Boards, • a comprehensive review of of the assessment & moderation process to be conducted at the end of 2015, • policy & criteria applying to the awarding of University Medals at CSU.
(j)	*provide a forum to facilitate information flow and debate in relation to academic issues within the University and between the senior executive officers of the University and the wider academic community;*	In 2014 the Academic Senate; • received reports and provided comments and advice to the Vice-Chancellor and Deputy Vice-Chancellors on various academic issues, • considered issues referred to it by Faculty Boards including: CSU medical certificates, badges for recognizing learning, the acknowledgement of country, • discussed various 'hot topics' that were identified by the DVCs and Faculties. These included academic promotions policy; casual, adjunct & sessional staffing & indigenous content in courses & subjects, • received regular reports from the PVC (International & Education & Partnerships), • discussed the development of the CSU credit precedents database, • considered the continuous quality improvement reports for workplace earning staff development& workplace learning outcomes, • provided feedback on the distance education strategy.

(k)	*review and report on all matters referred to it by the Council or the Vice-Chancellor;*	In 2014 the Academic Senate; • developed the academic risk & risk mitigation schedule.
(l)	*make recommendations to the Council or the Vice-Chancellor about academic standards or facilities at the University.*	In 2014 the Academic Senate recommended to the University Council or the Vice-Chancellor; • changes to the membership of the Academic Senate, • the academic risk and risk mitigation schedule
