Work Placement Position

Lawson Grains Accounting

Lawson Grains has rapidly grown to be a leader in the grain industry. We have achieved this through a team of passionate people and stakeholders who are engaged in the industry for the long run. We have scale with land holdings across 11 properties around Australia and have recently moved along the supply chain by establishing a Transport and Grain Storage business. We also implement best practice, utilising the latest technology and innovation.

Finally, through investment in our people, properties and environments Lawson is now one of Australia's leading grain farmers.
