### **Univeristy Courses Committee**

**Election of one Faculty member who is also a Course Director**

**- Faculty of Science**

### **Candidate Statement**

#### ***Associate Professor Jenny Wilkinson***

Associate Professor Jenny Wilkinson is a long standing member of the academic staff of the Faculty of Science and in addition to teaching-research roles she had held leadership roles in the School and Faculty. Jenny has been a Course Director since mid-2010 and lead or been involved in a large number of course reviews, professional accreditations and associated activities across a range of discipline areas. During this time she has also been a member of Faculty and University committees including Faculty Courses Committee and actively contributed to their function. Jenny has a good knowledge of Policy and is committed to ensuring course and subject are of the highest standards and meet both internal and external expectations.
